Saturday 29<sup>th</sup> February

Dear Parents,

In line with other Emirates, SPEA has released a statement to reduce the possibility of transmission of the Covid19 Virus:

As part of the procedure to apply guidelines and precautionary measures to prevent the possibility of transmission of Covid19 virus, we kindly request that students with symptoms of colds, coughs or fevers be kept at home until full recovery from the disease. Also, please immediately inform the school administration in the event that these symptoms appear on any member of the student's family in order to give the students leave during that period. Students are required to use e-learning methods remotely, coordinated by the schools, during their absence.

SPEA also calls upon all private schools in the Emirate of Sharjah to stop the following, starting from today until further notice:

- All internal and external trips;
- Competitions, festivals and activities in private schools that involve students' gathering;
- Events and activities between nurseries or with other entities.

With that, all previously approved and planned trips from SPEA are cancelled. We ask everyone to adhere to the clarified above in order to preserve a healthy educational environment in the Emirate of Sharjah.

This means the following events will be affected as per below:

1. Grade 1 and Grade 2 Productions have been postponed.
2. All after-school clubs/activities are cancelled until further notice.
3. Author's Visit for Grades 9-10 has been cancelled.
4. Grade 10 Work Placements have been postponed, and students must come to school as normal tomorrow.
5. IGCSE Mocks will now take place in assigned classroom groups rather than the main hall.
